

APDatec 820 RedX Multi

Professional-grade multi-layer PVC pressure hose featuring SMT Steady Mesh Technology

Applications	waste water, irrigation, agriculture
Structure	soft PVC, orange, opaque, NTS knitting
Temperature	-25°C up to 60°C
Properties	good flexibility, crush-resistant, can be driven over, high pressure resistance, weather proof, hydrolysis & microbe resistant, phthalate-free

Inner Diameter (mm)	Outer Diameter (mm)	Wall Thickness (mm)	Bending Radius (mm)	Max. Operating Pressure (bar)	Burst Pressure (bar)	Weight (kg/m)	Total Weight per Piece (kg)	Length (m)	Article Number
