

GreenX Clearwater

High-pressure rubber water hose with an operating pressure of 20 bar. For the conveyance of fresh water, service water and non-corrosive media. Consistently reliable performance and very high durability. Abrasion-resistant, light- and ozone-resistant, age-resistant, flexible.

Applications	irrigation, agriculture, municipal services, waste disposal vehicles
Structure	EPDM, black, opaque
Temperature	-10°C up to 100°C
Properties	high pressure resistance, smooth outside, smooth inside, very good temperature resistance, good oil & petrol resistance, hydrolysis & microbe resistant, good ozone- & UV-resistance
